ABOUT TEAM IMPACT CHRISTIAN UNIVERSITY

Team Impact Christian University offers programs which are highly flexible and are geared towards equipping and empowering Christian leaders who will change the world.

All our courses are Spirit-anointed and are available in print, disk or downloadable digital format.

Our courses are available to everyone who meets our entrance requirements. All our courses require comprehensive study and self-discipline. Our university has a campus in Baton Rouge offering day and night classes and is also an online institution offering distance learning to students in many nations around the world.

Our courses are relevant to the 21st Century Church and are an effective aid to the spiritual development of all believers.

It is the mission of Team Impact Christian University to raise up Spirit-anointed leaders who disciple nations. Our programs have the highest curriculum standards within the framework of Spirit-anointed Biblical authority. We prepare Christian leaders for Christian service.

All degrees at Team Impact Christian University are earned degrees. This is achieved by mandatory coursework that must be completed.

OUR AIM

Our aim is to help our students in the following ways:

- Develop a strong and deep relationship with the Lord
- Provide an in-depth understanding of the Word of God
- Make them firm and stable in their walk with the Lord as revealed by the Word through the ministry of the Holy Spirit
- Prepare them for ministry, leadership, and servant-hood in the body of Christ
- Impart a correct and clear understanding of the Word of God.
- Train and equip future leaders by means of the best training methods

OUR PURPOSE

Our purpose is as follows:

**“To edify the body of Christ, to equip God's people for the work of the ministry, to unite in faith, to grow in quality, quantity, stability and integrity so that the whole body is healthy and growing and full of love.”
(Ephesians 4 V 11 – 16).**

ACCREDITATION

Team Impact Christian University is accredited by the World-Wide Accreditation Commission of Christian Educational Institutions (WWAC). WWAC is a non-governmental accreditation, extended exclusively to private, Christian institutions upon inspection and approval of their programs, operations, and integrity.

WWAC is a worldwide accreditation that honors the separation of church and state, and extends beyond national boundaries. Its standards and expectations measure compliance with Scriptural principles as applied to education.

The purpose of accreditation is to:

- certify that an institution has met the established standards of excellence
- assist prospective students in identifying reputable institutions, which offer degree programs that will meet their needs and goals
- allow institutions to evaluate the acceptability of transfer credits into their own curricula programs

In the United States, accreditation of universities and seminaries is a voluntary process with accreditation granted by private, non-governmental agencies. Governmental agencies do not provide theological or ministry accreditation.

Government-recognized accreditation is not necessary for the religious vocations in which we are equipping our students and people working in ministry positions do not need a government-accredited degree.

We do not prepare our students for secular work or denominational service. We will seek to provide a sound theological standing from which our students may fulfill their divine purpose and calling.

Disclaimer Statement

Our courses meet the requirements established by many private, independent, and professional associations. Various regionally or nationally accredited Christian Universities, colleges and seminaries throughout the United States may accept transfer students, credits and degrees from Team Impact Christian University.

Transferability of credits earned at Team Impact Christian University and transferred to another institution is at the discretion of the receiving institution.

LIFE EXPERIENCE

All degrees at Team Impact Christian University are earned degrees. This is achieved by mandatory coursework that must be completed.

University transcripts do not always reflect real life experience. Team Impact Christian University recognizes life experience which may have been gained through years of work which is ministry related.

Many people have served in ministry positions and have gained a lot of knowledge and experience in their fields, but do not have any formal certificate, diploma, or degree. Life experience credits can give some of the recognition needed for this service in the work of the Lord.

This acceptance of life credits helps a potential student to accelerate their learning college experience and enable them to earn a fully accredited ministry related degree.

Applicants must have had more than five years in a recognized position in ministry.

No diplomas or degrees can be awarded based purely upon life-experience. Life experience credit cannot be given for an entire degree but is limited to a **maximum of 30 credit hours**.

Life experience which could include such things as books authored, missions trips, classes taught, outreach ministries, ministries within a church, etc., must be documented along with the years they occurred and submitted for evaluation.

CREDIT TRANSFERS

Team Impact Christian University can transfer all credits from accredited institutions such as colleges, seminaries, Christian universities, etc.

The credits must be reported on an official transcript. No more than **60 credit hours** (including life credits) may be transferred.

Courses transferred must be equivalent in content and requirements to courses in the Team Impact Christian University catalogue.

START YOUR OWN SCHOOL

Team Impact Christian University works closely with local Pastors, Christian leaders and local Churches.

Pastors and Christian Leaders can begin their own ministry-based schools by registering with our Christian university and implementing our courses. With this form of schooling, pastors and Christian leaders can mentor their own leaders.

GRADUATION

Students can start studying at any time during the year. They can also graduate as soon as they have completed their study program. Team Impact Christian University will hold regional graduations ceremonies each year throughout the United States as well as in various other nations world-wide.
